Tuxedo—the Most Enjoyable and the Most Healthful Smoke

THE most enjoyable smoke is a pipe. But many men deny themselves this pleasure because they have had unhappy experiences with pipe tobaccos.

Likely you have paid 35 cents to 50 cents for a tin of "fancy mixture," and it burned your mouth or throat, or was unpleasantly strong.

Too bad—but you got the wrong tobacco. The hundreds of thousands of men who

have found the answer to their smoke problems. Tuxedo is the mildest tobacco made. It cannot bite the tongue or dry the throat.

And it's economical. There are 40 pipe-fuls in a ten-cent tin. You can't get any better tobacco because nothing better grows than the mellow, perfectly aged Burley leaf used in Tuxedo.

If you try Tuxedo for a month and cut out other smokes, you will not only have had the best month of smoking you have ever had in your life, but you will have made a mighty big saving in your pocket-

In 1894 he was obtained by Manager James H. Manning for the Kansas City team of the Western League, but in June he was let go on account of ill health. It may be interesting to note that one of the players of the Kansas City team was George Stallings, present manager of the Boston world's champions. Stallings came from Nashville of the Southern League, of whose team he was the manager. The Southern League, of whose team he was the manager. The Southern League, of whose team he was the manager. The Southern League had once again disbanded and thrown a lot of players out of jobs. Among the pitchers on the Kansas City team that year, besides McGinnity, were Pete Danlels, George Darby, Al Mauck, and, after McGinnity's release, Jack Luby and Charles Hastings.
